**Avrio Advocati and AVOPARTNER invite you to the Avrio conference to take place in the charming City of Fribourg in Switzerland.**

## WELCOME TO FRIBOURG

Fribourg is a charming Swiss city, conveniently located on both sides of the river Saane/Sarine. It is a major economic, administrative and educational centre on the cultural border between German and French Switzerland. Its Old City, one of the best maintained in Switzerland, sits on a small rocky hill above the Valley of Sarine.

All this and so much more makes Fribourg a great weekend break, with loads of spectacular sights and attractions.

## OPPORTUNITIES

Attending the conference gives you a valuable networking opportunity with other Avrio Advocati members, meet them face to face, exchange ideas and update your knowledge on doing business in other jurisdictions, discuss common problems within the legal sector and identify solutions drawing on the experience of other Avrio Advocati members across the worldwide stage and expand your knowledge on various topics to be discussed at the conference.

## COSTS

Unlike most other legal or business conferences, our conferences are completely free of charge to Avrio Advocati members. It is also important to point out for yet another time that the attendance to our conferences can be recorded for the purpose of Continuing Professional Development, subject to local Law Society/Bar Association requirements.
