Dear All

We are very much looking forward to seeing as many of you as it is possible in the capital of gorgeous Portugal – the beautiful and vivid, magnificent city of Lisbon. Thank you to Ana Rita and everyone involved at CSA for your stellar work in hosting our Spring 2023 conference and organizing such an interesting agenda.

For those of you who arrive on Thursday in time for dinner, places are booked at the Altis Grand Hotel top floor restaurant – Grill D. Fernando. We will be gathering at the hotel lobby from 7 pm, and then around 8 pm we will go to the restaurant.

We start the formal program on Friday at 1 pm local time. The entire first conference day will be a celebration of the extensive expertise amongst Avrio members in sports, media and entertainment law, and how sports, entertainment and media law impacts on each of our practice areas, from corporate to dispute resolution to estate planning and family law. We plan to finish the formal program of this first conference day at 5 pm.

On Friday evening, we will have our gala dinner at the amazing Palacio Chiado – an actual palace and national heritage monument built in XVIII century that is now turned into an exclusive restaurant. After we finish with our dinner, we can just move to the famous Bar Salla that is conveniently located in the same building!

On Saturday morning, we will start with internal Avrio Advocati matters – among other topics to be presented and discussed, our Treasurer, Ana Rita Religio, will report to us on the association financial matters.

After dealing with internal Avrio Advocati matters, Saturday morning will be devoted to learning from each other. Our dear colleague John Clarke of WJM, Scotland will hold a fully interactive seminar on pricing, where he will guide us through various aspects on establishing pricing policies in our respective law firms.

The Saturday morning's session will end at 2pm. Our delegates will have free afternoon. We will gather at the hotel lobby at 5pm, get into taxies and go for a 2 hours boat trip. Cocktails and other refreshments will be served at the boat while we are watching Lisbon sunset from the river! Immediately after the boat trip we are walking to a charming nearby restaurant where the dinner will be served after 8pm!

As you will notice, not only business agenda is interesting and inspiring – we have an excellent social agenda not only because the city of Lisbon has so much to offer to its visitors but also because Ana Rita is such an amazing host!

What follows is some information about how to get to the Hotel, the business and the social agenda. Most importantly, there is a form for you to complete in which you book attendance at the various events and pay in advance. I cannot emphasise enough how important it is that you pay in advance so that we avoid the need for cash accounting. At the end of the document you can find the form that you need to complete and send it back to info@avrioadvocati.com as soon as possible.

We are looking forward to an informative and entertaining conference.

Kind regards
Philip Gilliland
