You are warmly invited to the Avrio Advocati Spring Conference 2026

Join Avrio Advocati in the historic city of **Bonn** for our **Spring Conference**, taking place from **21-23 May 2026**. Set along the banks of the Rhine, this conference will bring members together from across our international network for insightful discussion, collaboration as well as some fun.

This year's theme, **"Advancing Digital Transformation in Legal Practices,"** will explore how law firms can harness technology, innovation, and digital strategy to enhance client service, efficiency, and cross-border collaboration in an evolving legal landscape. It will also consider how members are helping clients as they embrace new technologies. Expect engaging sessions, practical insights, and forward-looking conversations shaped by the experience of colleagues from around the world.
